Brian Hogan, MS
Department of Computer Science
School of Engineering, Technology, and   Aeronautics
Southern New Hampshire University
2500 North River Road, Manchester, NH, 03106

∞ Designer of applied organic structures and code to facilitate active learning with interactive structures.

∞ a corpus of focus is a single comprehensive learning resource with
- an abilty to categorize and apply meta-data
- arrange code ontology trees and how.to snippets

∞ Thank you for learning about my substance. ~brianh
